

Guest lecture

Elizabeth R. Young

Lehigh University, Bethlehem, USA

12:15 p.m.

**Photo-induced Charge Transfer
Dynamics in Thin Films
of Light Harvesting Sb_2S_3**

Lecture hall C2 Chemikum

1:25 p.m.

**Round table
with drinks and snacks
for female scientists to
discuss scientific career paths**

Seminar room 00.233/00.234 Chemikum

8.11.2022

Contact:

Dr. Sabrina Gensberger-Reigl

Women's Representative of the Department of Chemistry and Pharmacy

sabrina.gensberger@fau.de

An event as part of the guest lectures by female scientists at FAU.
Funded by the target agreements to increase the proportion
of women in science.

Organized by the Women's Representative of the Faculty of
Natural Science
